

GARD'N-WISE PRESENTS A
PRODUCT KNOWLEDGE WORKSHOP
&
GARDEN JEOPARDY

NORTH DENVER SESSION
Tuesday March 22nd, 2011
The Event Center at Church Ranch
10200 Wadsworth Boulevard
Broomfield, CO
303-404-3777

- 9:00 **WELCOME AND INTRODUCTION**
 Garden Jeopardy rules explained.
- 9:30 **DISEASES and FUNGICIDES** - Cultural practices and timing of
 controls are the key.
- 10:30 Break
- 10:45 **FERTILIZERS** – Traditional and Green products. Do grasses, perennials,
 patio planters and roses all really need different fertilizers? What's in
 them and how do you choose a good one?
- NOON - LUNCH PROVIDED** - Compliments of Gard'N-Wise Distributors
- 12:45 **INSECTS** – We'll look at the most common friends and foe and how to
 manage them using cultural, traditional and green methods.
- 2:00 Break
- 2:15 **TURF, WEEDS AND HERBICIDES** – New research shows lawns aren't
 the evil menace some would have us believe. Learn to recognize the
 most common turf problems and how to deal with them using cultural,
 traditional and green methods.

****Each member of the winning Garden Jeopardy team will
receive a Felco Pruner and Scabbard.***

**Please help us plan accurately for lunch and handouts
RSVP by phone or fax by March 18th
